

## CONFIRMATION SELECTION SHEET- 2008-09

Please review the single sessions, mini-courses, service, activities and events which are detailed in the 2008-09 Confirmation Brochure. Consider your school, sport, and extra-curricular commitments. St. Julia Parish Confirmation Preparation Program is another commitment that demands your attention, careful consideration, and deliberate action. Together with your parents, you should plan your personal Confirmation preparation for the next two years. **Choose those pieces of the program to which you will commit this year. Check them off, make a copy of this form, and return the original in class on October 5. For Mini-courses, please number a first and second choice.**

Please remember, **we will expect you to participate in every activity that you check.** A teacher or leader is expecting you, and books or materials have been reserved for you. If an emergency arises, it is your responsibility to leave a message for the Religious Education staff explaining why you cannot attend: 781-899-8434. Make careful note of the mandatory components of the program and plan how you will add them to your schedule.

Also note, **you may always come to a session for which you did not sign up.** We invite you and welcome you to participate in as many sessions and programs as you can.
